 Title PROPOSAL: WATER RESOURCES SURVEY OF THE NAVAJO INDIAN RESERVATION

Subtitle The Williams Brothers Engineering Company at the
 request of the Navajo Tribe is pleased to submit their
 qualification for services and a development plan in connection with
 the proposed quantitative assessment of the future water
 requirements of the Navajo Indian Reservation. To
 assert Tribal water rights it will be necessary to precisely
 determine the amount of irrigable land within the
 Reservation and within practical limits determine the
 amount of water necessary to irrigate that land.
